Participant

As input from the President of the PGC (Mr. Muhammad Rudy - KPC COO), that for Golf tournaments should be held openly, which means that applies to all PGC members.

To accommodate the request of Trakindo in inviting selected customers, he suggested limiting the participants with a composition of 65% Customer TU and 35% PGC members.

Therefore we selected 95 customers as participants who were specifically invited. The remaining 35 are from PGC members in general, where they must register at PGC when participating in the tournament.
