**Dear Sir/Madam,**

PT Freeport Indonesia 2023 **Ecumenical Easter Celebration Committee** would like your Company to consider participating in the upcoming Easter event. The Committee is planning to hold series of celebrations and activities to welcome this important event. The event will be held not only at PT Freeport Indonesia working area for internal community, but also in surrounding areas both in Highland and Lowland (Donations/Social Activities).

On this special event, we are only open for in-kind support (barang) with each value up to Rp 1,000,000 and each vendor can contribute maximum up to Rp 5,000,000 in total. Of course this support is completely voluntary and it will not affect your current contract or relationship with PTFI.

If you would like to participate or learn more, you may reply this email to all or contact [Mudita Parahita](#) dan [Jessy Kawengian](#).

We greatly appreciate your consideration and participation on this proposal.

Danny Rummy  
HL Chairman of 2023 Easter Committee
