Subject: ACTION REQUIRED: Caterpillar Wave 45 MBB Training

Greetings:

Plans for Wave 45 MBB training have progressed to the point where we're looking to confirm participation of those on the training waiting list.

Training will be held during the following weeks at the Edwards Demonstration & Learning Center, located just outside of Peoria, IL.

- Week 1: July 17-21
- Week 2: August 14-18
- Week 3: September 18-22
- Week 4: October 30-November 3

Action Required: Please confirm that you will be attending Wave 45 MBB training during the weeks listed above.

Thank you for your patience as we've navigated through our new business model to facilitate this training.
