Russel and Pak Dodi Noted will do

We can only send Juhandri on this batch. Tedy has an agenda to deliver BWSS training for 3 days next week and we had already seat confirmation from all participants.

I agree to propose Seprin and Tedy for next batch because this time we have Justin, Irsa and Pak Afrizal on site and I need Seprin to support us at site.

Pak Narto fyi

There is requirement site trainer to have capability delivering minestar pak.

thanks

I am still waiting on the full agenda from Cat but the participants need to arrange transport and accommodation to allow them to attend the training in HO from 9:00am Monday morning until 5:00pm Friday afternoon
