Subject: Invitation Sept 19-21 - LEP GM & SM Meeting in Singapore

Greetings,

It is my pleasure to extend this invitation to you for participation in the upcoming Large Electric Power General Manager and Sales Manager meeting in Singapore. Invitees are the GM and SM for all South Asia & Australasia Large Electric Power (LEP) Dealers. The dates for the meeting are as follows -

Tue Sept 19 - Travel in, h'orderves and drinks in the evening.

Wed Sept 20 - full day agenda, dinner in the evening.

Thu Sep 21 - half day agenda, flights 4pm or after.

We are still working on the detailed agenda and hotel information and they will be sent out in the coming days. To make the meeting more meaningful, we encourage your ideas & thoughts on the possible topics to be included for our discussions.

While Caterpillar will provide an update on NPI/Products, Sales, Marketing, Product Support and other topics of relevance, we expect that the larger focus of the meeting would be to provide an opportunity for you to discuss with other dealers and Caterpillar on common topics of interest, issues & concerns. Additionally during the course of the meeting we will explore the interest of re launching the DAT.

We are excited for your participation in this meeting and look forward to hearing your ideas on topics of interest.

Please contact your Territory Manager or myself if you need any clarification at this stage. Thanks in advance.....

Best Regards,
Matt
