Pak Lexi,

For the CAMP training

- Can be conducted to train trainers with just using the material from Dormtund
- I would like to take part in this course
- I suggest it be held at km13 facility or Stalkuda
- Needs to get done mid-October

Pak Darren,

1. What is the agreed plan for OJT between Freeport and EMP? – Our Team will schedule MCU for TTD Standard and after that we send to TTD the results. Plan in Oct 17
2. Can I get an update on the electrical training package development? Also what is planned for Eko to deliver CAMP training to TC and TTD trainers?
 - a. We have update from Iwan Pramono (one of TC Team Ciluengsi) the module will complete in Dec 17 (if the module we develop under Trakindo Standard but if we use as module from Cat, In Oct 17 we can deliver the training)
 - b. We have pre-discuss with TC Ciluengsi about the plan for Eko to deliver CAMP Training to TC & TTD Trainers but not finalize the schedule yet (Plan Oct 18)
