All,

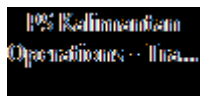

Placeholder for EMP and TUE Training and Development Program review. Agenda below.

Note: I have taken the liberty to allocate day # 1 for EMP and day # 2 to cover off on preliminary discussions around TUE (Welding and Fabrication) pathways. (John and Andro – have your team available for day # 2 no need to attend day # 1)

Bibin/Asep/Iwan,

Can you do some prep on existing welding and fabrication materials you have prior to the 2nd. Call me to discuss if required.

Regards,
Darren

Acnes,

Book meeting room and lunch etc.
