Dear Pak Faisal

As discussed previously, as part of ART Product Manager - Brent Losey - visit last year, that he will give Trakindo ART product specialist and operation to increase sales and operation/operator confident level.

Right now, Somesh Sukhrani – as product specialist and Chris Fisher – as Product Application and Operation will joint us on Mining 1 on 1 in Jakarta 22-23 January 2018.

Then we need to arrange operator trainer and product specialist training at customer site that 745 already operated. It is Johnlin Baratama site at Sungai Danau or Asam-asam, South Kalimantan.

The agenda itself is **conduct operator trainer for Trakindo and also customer trainer** and of course, 745 for testing – operator training and on the iron.
