Dear All,

You are cordially invited as an Observer for ITR3A User Acceptance Test activities (UAT) for Scenario CS-007 CSA by Event.

Please be informed, your roles and responsibilities as an observer will be:

- Follow UAT to familiarize more with the new system
- Provide Inputs and feedback to UAT team
- Communicate and promote the new system to other users in your region or branch after UAT
- Fill Questioner at the end of UAT
- May involve in one or few scenarios

The agenda of Scenario :

- Create Contract (CSA by Event) Master data
- Create Service Request

- Create Service Quotation External (Flat rate)
- Service Order External
- Committed Demand
- GI + Picking + Packing in Warehouse
- Contract Price (customer has agreement)

Please mark your calendar for this event and Your participation is highly required.

Should you have any questions/ inquiries, please find the contact persons below:

- *For Accommodation during UAT please contact Dewi Mayasari ext 1433 or email : btpadministration@trakindo.co.id *(for Bapak/Ibu from outside Jakarta)*
- *For UAT Schedule please contact Pak Zulfiadi Susanto : zulfiadi.susanto@trakindo.co.id or Marjuang Sinaga: marjuang.sinaga@accenture.com*

Thank You,

Regards,

CM for ITR3A Project Team
