Engine Product Support Managers**

2018 CES Gas Genset Service Seminar

We are pleased to announce that the Caterpillar Energy Solutions team will be conducting a Service Seminar for dealers in Asia Pacific Region from **May 15-16, 2018**. The conference will be held at the Movenpick Hotel in **Bangkok, Thailand**.

This event will be focused on CPI, NPI, and Technical Topics related to the G3500A/B/C/E/H and CG132, CG170, and CG260 platforms and will be supported by visiting speakers presenting on specific topics. We believe this collaborative engagement between Caterpillar and Caterpillar dealers would be highly beneficial in supporting and growing our gas business in the region. We look forward to your support and participation for this event. Collectively, we will be working towards improving our support of Caterpillar Gas Gensets in the Asia Pacific Region.

The following is an outline of the Conference:

Objective

Provide a forum for the Caterpillar Dealer Product Support Personnel who deal with Electric Power Gas Gensets and Caterpillar subject matter experts to discuss significant product health issues and to provide an update on current product support tools and initiatives.
