Subject: [THRIVE] Requesting Resources for Critical SAP HC Implementation

Dear Region Heads,

SAP HC (THRIVE) Project Implementation for Phase 2A and 2B will be entering the critical periods related to design confirmation, SIT, data migration, UAT, train the trainers, and lastly EUT before going live. I would like to give special emphasis to the importance of the payroll process in Phase 2A for all employees, hence failure is not an option!

For this reason, our HC Project SAP team has compiled a plan to mobilize HR teams from your respective Branches to ensure that all stages will be running well and successful. This plan is prepared for Oct 2018 until April 2019 (attached).

I would like to ask your help and support to release your respective staffs at the designated date/time while ensuring our HR/GA related daily operations will not be interrupted. Your cooperation is highly appreciated to make our strategic HC system transformation happen successfully.

Looking forward to get your feedback and approval on this request. Thank you.

Regards,

Ferry M. Butarbutar
