

Hello!

The Electric Power Digital and Technology team will organize **Electric Power Asia Pacific Cat Connect Conference** on **February 19-20, 2020** in Tractors Singapore Limited (TSL), Singapore.

All dealers and internal roles are welcome to attend. The audience of this training will be PSSRs, Cat Connect Business Development Consultants, TCs, Technicians, PL Admins, RAM Admins, Cat Connect SME etc. There will be group sessions along with breakout sessions customized to technical roles for Electric Power Remote Asset Monitoring (RAM).

Highlights of 2-day training:

DAY1: Group Sessions

- EP RAM Overview and Digital Services & Offering.
- Cat Connect Hardware Overview & Update.
- Cat Remote Asset Monitoring Update (Reporting and PM Schedule) Demonstration.
- Mobile CAT RAM App and Remote Start Stop demonstration.
- Customer Value Agreements
- Dealer Success Stories

DAY 2: Breakout sessions

PLE & PLG Breakout sessions – Technical Groups

- Hardware Installation/Activation/Registration Product Link & Troubleshooting (Elite)
- Hardware Installation/Activation/Registration Product Link & Troubleshooting (Generation)

The hotel accommodations will be at the dealer expense; however, lunch, snacks, will be provided during the event. Transportation will be provided to and return trip from our event official hotel (Mandarin Orchard Singapore) to the Training Venue.

For hotel reservation, please send email to Nicholas Teo <nicholas.teo@meritushotels.com> for room reservation. Room rates: Single Deluxe Room S\$235++ and Double S\$255++.

The event team has hotel rooms blocked for this training and please kindly send confirm your registration in DPC for Course **51869**. [Click here to register](#).

Registration due January 14, 2020

We highly recommend completion of the following courses on Dealer Performance Center ahead of the training.

- E&T Cat Connect User Interfaces DPC# 53375
- E&T Cat Connect Hardware Overview DPC# 53024
- E&T Cat Connect Services Overview DPC# 53363
