Dear Pak Julianto/ Pak Joko,

Pertaining to above 4 x C32 Engine have already arrived Singapore on 21 Jan 2020.
We did packaging and currently prepare for setting up for FAT.
We will do FAT (Load Test) on **19 to 21 Feb 2020** at our workshop No. 6 Tuas Ave 2, Singapore.
We would like invite Pak Joko to attend the load test as he will be supervised the commissioning. And also would like to invite you if you could make a trip on that day as well.

Thanks and best regards,
