Subject: Additional Resources for New Serviceman Recruitment

Dear Leaders,

As response to our 300+ Technician/Mechanic needs for 2021-2022, we have prepared a recruitment work plan that will need more capacity than usual. Therefore, through this email **I would like to have your support to release your HR staff (attached)** as part of the recruitment team (on ad-hoc basis). For info, the work plan will be governed centrally from HO, aiming at fulfilling all branches' need.

Basically, we need to expand the sourcing to non-COOP schools who have relevant program, i.e., Heavy Equipment, Mechanical, Electrical, Mechatronics, IT Networks, etc. We have found at least 100 schools across Indonesia are suitable. Hence, we need additional people to: communicate with schools, gather the applicants/graduates, conduct psychological tests, organize technical test and interviews, arrange medical check-up, and so on (workplan attached).

We already have preliminary communication with Area HR and they are ready to share the effort. I believe you will give full support for this collaboration. Thanks!

One team, One goal!

Regards,

Ferry M. Butarbutar
