OVERSEAS TRAINING PROPOSAL

TO : Whom it may concern
FROM : Sumardi
DATE : July 06th, 2022
SUBJECT : Applied Failure Analysis I (AFA I) Training

Dear Sir/Madam

This proposal is submitted to process approval for attending **Applied Failure Analysis I (AFA I) Training (August 22 - 26, 2022)** at Caterpillar Dubai Learning Center, Jebel Ali Free Zone, South 3 PO Box 262147 Dubai, United Arab Emirates.

The training covers topics: basic principles of metallurgy, wear & fractures, hands-on managing the failure analysis process to determine most probable root cause of failure.

Background analysis:

1. Parts of the Course Accreditation (CA) process in order to build up Dealer Training capability.

The Course Accreditation stages are as follows:

- a. Observed --- Learner attends the AFA I training.
- b. Assist --- Learner assists at training conducted by Caterpillar Instructor.
- c. Teach --- Learner conducts ILT (instructor-led training) sessions for AFA I, observed by Caterpillar Instructor as part of assessment.
- d. Self --- Learner conducts ILT (instructor-led training) sessions for AFA I independently and recognized as a Caterpillar Training.

For your information, CA plan in 2022: AFA I, CEP II, CEP III & Electronic Troubleshooting

2. Supports the CAT Assurance Program.
Maintain the minimum number of Reused Component Inspector (in 2022 we prepare 9 candidates).

PT Trakindo Utama

- 3. Support the CAT Technician Certification Program
In period 2022 – 2025, we should have 14 CAT Machine Certified Technician

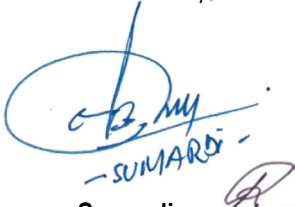

Candidates:

- 1. Rony Anas Instructor, Training Center Cileungsi
- 2. Aldino Surya Kamal Instructor, Training Center Cileungsi

Estimated Investment:

Course Fee	: USD 3,520	(USD 1,760/Instructor)
Travel expense & Accommodation	: USD 5,000	(USD 2,500/Instructor)
TOTAL	: USD 8,520	(2 Instructors)

Your Faithfully,

-SUMARDI-
