**Subject:** SHE NKAL - Annual Meeting 2023

Dear All Leaders,

Entering 2023, the spirit of change for the better is increasingly being encouraged on all lines at PT Trakindo Utama and all leaders in the company are required to be agents of change, including the leaders in the SHE Department. Continuous improvement is one of the ways for the SHE Department to reflect the existing spirit of change and is reflected in Trakindo' s 2025 Vision "Sustain Safety First Culture" so we feel the need to share the same spirit with SHE leaders in all existing Branches/ Sites.

Apart from being a routine agenda at the beginning of the year, the SHE Annual Meeting is an important medium in discussing every initiative in risk management related to Occupational Safety and Health including the Environment and providing opportunities to share best application experiences, future challenges and achievements in the previous period.

This event will be held **offline** on:

Day / Date : **Wed - Thurs (8<sup>th</sup> to 9<sup>th</sup> March 2023)**

Venue : **Meeting Room 3 - Stalkuda**

The implementation of the SHE Annual Meeting activities is expected to fulfil the following objectives:

1. Having the same perspective of fellow SHE Area leaders in creating a safe, healthy, and environmentally friendly work environment
2. Looking for the best solution in addressing the obstacles that exist in the implementation of the agreed SHE initiatives and programs
3. Encouraging the use of SHE digital applications that have been created to facilitate SHE implementation at each work location.

The participants at this SHE Annual Meeting are the Head of the SHE Branch also from Area and STC.

Below is the list of participants from Operation:
