Pak Rozy – I understand that Trakindo is considering to send participants to CCR Conference in US. Chris and I are planning to add to the CCR agenda by including dealer exchanges, best practice sharing sessions and facility tour/training (draft plan below). The focus would be around CI T14 Rebuilds and this plan is for ANZI region only. I would like you to consider nominating your CI Rebuild Specialist to join his fellow peers from ANZ in this learning trip. Thanks
