24/7 Continuous Recording

If you want 24/7 video recording or if you have multiple IP cameras to manage, this Reolink NVR is your best choice.

- Pre-installed 2TB HDD for 24/7 recording and monitoring.
- Support all cameras recording at the same time (up to 8 cameras).
- If you want longer recording, try motion detection recording, which will trigger recording only when motion is detected.
- Allow you to install an external hard disk drive via e-SATA for more storage (up to 6TB).
